**Note:**

Fiscal Year 2011-12 ended with an operating surplus of \$12.8 million, after transfers totaling \$1.0 million in Early Development Center (EDC) profits to the Charter Middle School.

The Fiscal Year 2012-13 fund balance is expected to decrease by \$4.4 million. Revenues in 2012-13 are expected to remain relatively flat overall, with a large increase in Franchise Fees (\$2.3 million) partially offsetting a \$2.5 million decline in Charges for Services, the latter created mainly by cessation of a public-safety service contract with a neighboring township. The unassigned portion of the general-fund balance as a percentage of annual expenditures declines to 22% from 28% at the end of 2012-13.

The operating deficit of the fund in Fiscal Year 2013-14 is budgeted at \$1.6 million due largely to an increase in the appropriation for capital items. The unassigned fund balance at the end of Fiscal Year 2013-14 declines to 21% of expenditures, assuming there are no changes to the assigned fund balance. This percentage is well within the policy, which stipulates a minimum fund balance of 10%.
