To set a standard of excellence in providing a communications link between the citizens and the various departments and functions of the City; establishing a professional support system for the elected officials and their appointed boards and committees in accordance with laws governing the City.

Goals

The City Clerk's Department, which serves as the information nucleus of the City and its departments, is dedicated to providing the highest level of professional service to the citizens of Pembroke Pines. Our goal is to provide these services expeditiously while ensuring compliance with all Florida Statutes and City Ordinances. Every effort is being made to keep our staff positioned to take full advantage of new technological developments so as to enhance our efficiency in the performance of our duties and responsibilities.

Objectives

Comply with all applicable Florida Statutes for legal advertisements, public record requests, and record retention requirements.

Competently prepare and maintain the indexing, storage, and archival of official records.

Efficiently record and maintain records in accordance with all applicable state statutes.

Daily accurate posting and receipting of utility fees and other revenues.

Provide the City Commission with recommendations discussed at monthly Boards and Committees meetings.

Efficiently process local business tax receipts and renewals.

Major Functions and Activities

The City Clerk is the Custodian of Records for the City and is responsible for keeping a concise and accurate record of the official actions of the City Commission and the Commission-appointed Boards and Committees. The Department is responsible for the records management of the City and serves as the information nucleus for records requested throughout the City and its various departments. The City Clerk is also the Supervisor of Elections for the City of Pembroke Pines and, therefore, has the responsibility for the coordination and efficiency of the municipal election process for the Mayor and the four City Commissioners.

The City Clerk's Department, through the central cashiering system, posts and receipts funds received by the City. The primary function is to provide quick and efficient service to the public with respect to processing transactions, depositing City funds, maintaining accurate records, providing information, and directing phone calls.

The Department is an acceptance agency for U.S. passports. Personnel have been trained at the Miami Passport Office. This is another opportunity for the City to serve the general public.

The Local Business Tax Receipts Division (formerly known as Occupational Licensing) of the City Clerk's Department is responsible for the issuance of local business tax receipts to any entity maintaining and conducting a business, service, or profession within the City of Pembroke Pines.

The Micrographics Section of the City Clerk's Department is responsible for the preparation, scanning, filming, indexing, storing, and retrieval of municipal records. This function enables the City to house permanent documents for expedient retrieval of information requested interdepartmentally, and by citizens and outside agencies.

The Boards and Committees section is designed to enhance the quality of life within the City by incorporating agenda and other accurate information resulting from the action and direction of the extensive variety and scope of the Boards and Committees appointed by the City Commission.

Following are the major Boards and Committees monitored by the City Clerk's Department:

~ ARTS AND CULTURE ADVISORY BOARD - Meets to develop cultural activities within the City as well as promote art in public places throughout the City.

~ BOARD OF ADJUSTMENT - Has the power to prescribe any conditions that it deems necessary or desirable to adjacent properties and neighborhoods, and to carry out the spirit and purpose of the City's zoning ordinances.

This Board has ex-officio members appointed by both the City Commission and the Broward County School Board. The Board oversees the activities at the Resource Center.

~ GREEN CITY ADVISORY BOARD - Established for the express purpose of providing recommendations to the City Commission regarding potential "green" and environmental initiatives for the City of Pembroke Pines.

Budget Highlights

A referendum election will be held in November of 2010 to put a question to the voters of Pembroke Pines for the addition of a "Commission Auditor" position. The City has been given access to the Broward County ballot for their November election, thereby greatly reducing the costs to be borne by the City of Pembroke Pines.

In January of 2011, in compliance with the City's Charter, the City will hold a stand-alone election to fill a vacancy in the District 4 Commission seat. The election budget, which is part of the City Clerk's budget, covers the cost of poll workers, supervisors, technicians, security, and all other costs associated with contracting with the Supervisor of Elections for a stand-alone City election.

2009-10 Accomplishments

The City Clerk's Office conducted a municipal election in March 2010 for the purpose of electing District 1 and District 4 Commissioners to four year terms.

The lease for copy and editing equipment was bid, resulting in award of a contract which will save an estimated \$20,000 per year for the next five years.

The new Citizen Action program for public records requests was implemented, and City departments trained in the use of the program. The new program allows for greater electronic communication with the

City Clerk

public, and allows for delivery of requested records via email in many instances. The City Clerk's Department receives on average 500 to 600 requests per month.

* New measure - actual and /or goal unavailable.

** Goals prior to 2010-11 were not expressed in constant dollars.

~ Decrease in training due to budget constraints.

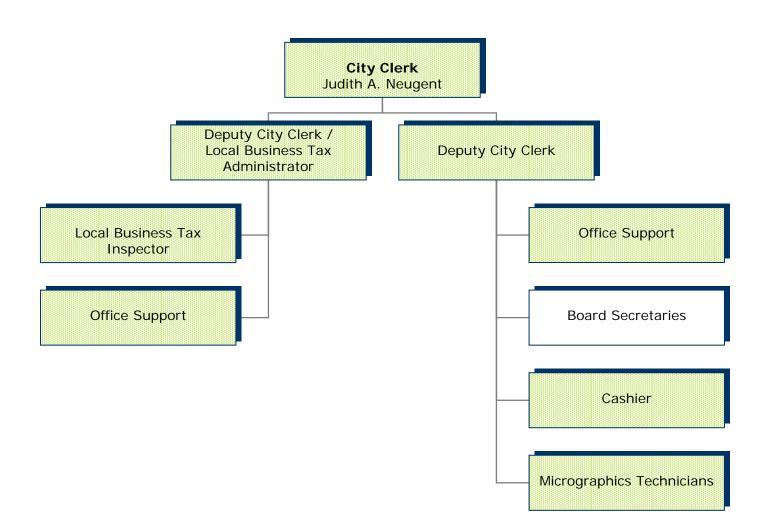

^ Reflects replacement of Blue Frog with WebQA, which reflects separate records requests more accurately.

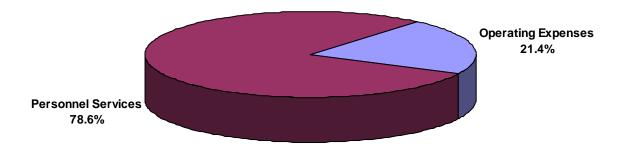

^ The Goals for Commission agenda books prepared (Outputs); Commission agendas prepared per year per F/T Employee & Average number of pages of Commission minutes transcribed per year per F/T Employee (both Efficiency measures) are based on scheduled Commission meetings. Additional special meetings occurred during 2007-08 and 2008-09.

The reduced goal for Number of documents imaged and microfilmed reflects the reduction of three (3) FT Employees to one (1) FT Employee in the Micrographics Section.
