### Major Functions and Activities

The City partners with others in maintaining the Resource Center. The costs are shared by the Broward County School Board and the City. Effective use of tax dollars is made by sharing resources and extending the hours of income-producing usage beyond that of a typical school day. The programs

and services are offered sixteen hours daily, year-round.

In addition to the school, the following programs and activities are provided: racquetball and handball, meeting rooms, basketball, tennis, 450-seat dinner theater/café, softball, track and field, consumer education, gymnasium, conference center, and parent education.

### Budget Highlights

Appropriations for expenses show a \$42 thousand increase over the 2012-13 working budget. This increase is attributable to the cost of janitorial services, which were not budgeted in 2012-13 in this division. Appropriations for this cost were only coded to the 2012-13 budget for the Walter C. Young Dinner Theatre.

### Accomplishments

Walter C, Young Resource Center is one of the area's prominent educational facilities. Approximately 1,265 students attended WCY Middle School during the school year.

WCY Dinner Theater is a multi-functional facility that was utilized daily during the school year to provide breakfast and lunch to those middle school students.

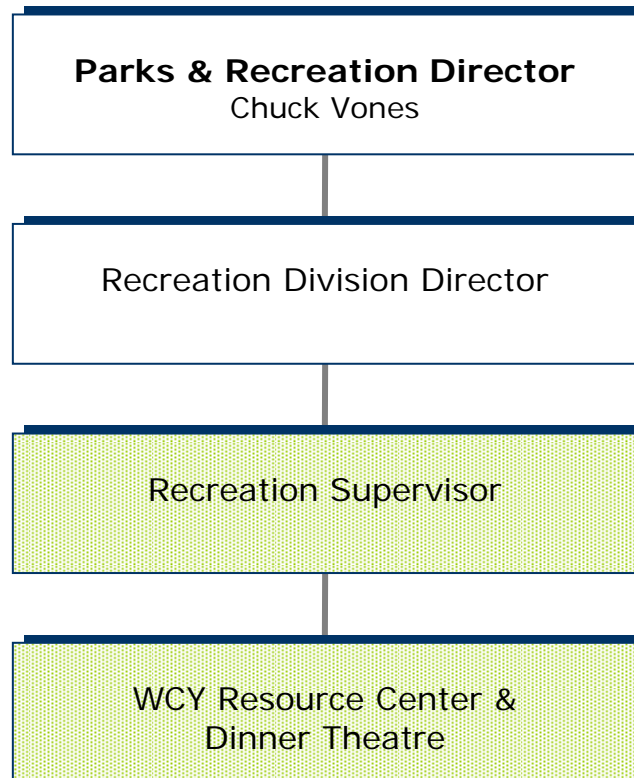

On June 19, 2013, City Commission approved a 10-year agreement with Soccer Town for the conversion of the Walter C. Young Hockey Rink into a Soccer Center. All construction expenses will be paid by Soccer Town, and the City will receive 2.5% of revenue in years 1 and 2 and 10% of revenues thereafter, with the minimum annual amount guaranteed at \$4,500 per year. The new Soccer Center will consist of four to eight premium synthetic turf 5 vs. 5 soccer fields, a state-of-the-art social area, and a children's play area.
