Accomplishments

On November 27, 2012, the Parks Division was transferred from the Parks & Recreation Department to Public Services. All parks maintenance and construction projects now fall under the supervision of the Public Services Department. The Recreation Department will continue to communicate with the youth organizations as they have in the past on all issues except maintenance. This has allowed for more flexibility in the utilization of maintenance personnel. Maintenance workers in the Parks Division are utilized on Public Services projects when they are in their slow period and vice versa. One Department will now oversee all maintenance and construction operations. This has also allowed for better utilization of equipment (i.e. bucket trucks, back hoes, trailers,

etc). There may also be a possibility of reducing capital purchases in the future as equipment can be utilized more efficiently. This change has resulted in approximately \$100,000 in savings by not filling the position of Assistant Director of Parks & Recreation.

Produced the 53rd Annual Pembroke Pines Birthday Celebration, featuring an 11-day festival and outdoor concerts.

In addition to the 27 events produced by our Special Events Section, the department provided assistance to many non-profit organizations.

Worked closely with the Arts and Culture Advisory Board to produce the 15th Annual Art Festival in the Pines.

Hosted twelve major swim meets at the Academic Village pool.

Hosted a Water Polo Tournament at Academic Village.

Hosted nine Jazz Concerts at William B. Armstrong Dream Park with food truck round-up.
